VRBB
April 10, 2007**

Meeting Called to Order: 7:06 pm

Reading of Minutes: Secretary Teresa Muller was absent, so minutes of the February 20, 2007 meeting were not available.

Band Director's Report: The band trip went well and the kids had a good time. Individuals such as the flight people, bus drivers, hotel staff and others were amazed at our kids' behavior. I am very proud of them. Once we have time to process everything and all payments on the trip have been made, we should be in the black by \$145.00. There is still \$3800.00 still owed and very confident we will get it in. I will be sending a bill to those that still owe for the trip. LISD will be paying for Mr. Morgan's trip and we are awaiting that payment.

Goal of the trip was to bond.....!

The colorguard had an outstanding performance last weekend. Thank you, Joan and other parents.

Last Wednesday (4/4/07), all 3 bands received a 1st division on stage. Concert band was very prepared. Symphonic received 1's straight across the board as well as Wind Ensemble. Wind Ensemble to make a recording for the TMEA Honor Band. This will be April 24 at the Cedar Park HS PAC. Wind Ensemble has also been invited to the Texas State Wind Ensemble Festival in May.

President's Report: Mr. Christian will be getting information out to everyone regarding the band banquet and it is open to parents. The facility is large enough, with plenty of parking and should cost \$20-\$30 a person. There will be a slide show, a meal and awards.

Nominating committee is to consist of Mr. Christian, myself and right now two others that want to be on the committee. If you are on the committee, you can still run for an office. As soon as I get another person, we will be calling people. Next, general assembly will consist of the minutes and the election. Email Lori R. if interested. Subcommittee chairs are nominated by the president.
