

**General Assembly
Vista Ridge Band Boosters
August 8, 2006**

Call to order 7:01

The Band Directors send their apologies on not attending tonight's meeting. If any parents have any personal problems with students they should address them to the directors not at the General Assembly Meetings.

President Report:

Welcome freshman parents, we will be following Roberts Rules of Order. When you have something you wish to say please raise your hand and wait to be called upon, then stand up and address the board by introduce yourself and stating your intentions.

Registration is tonight or Friday please pass the word around to get the remaining students registered.

Introduction of the Board:

All board members were introduced. It was also stated that Teresa Muller is no longer Volunteer Coordinator for the VRBB or for the VRHS. This has been a position she has held for four years and is ready to pass the position on to someone else. Our Historian was not introduced since she is still on vacation.

Announcements:

Some standing committee people are still holding their positions.

Please sign up on the www.vrhsband.org site to receive emails.

Our chairman for the marching committee is looking to train a replacement.

Scrip chairperson is Kathleen Marino

Subcommittee chair people Robyn Cooper and Sharon Powell are looking for help with the craft fair that is being held on November 18, 2006. They still need help with setting up the night before

It was suggested that registration be held in May.

Tom has an informal meeting tomorrow morning with a freight company to help him figure out what to look for when purchasing a trailer.

Holiday Bazaar meeting will be held after the general assemble meeting.

Some parents still do not know about the website.

Emails are getting updated in Mr. C's database.

Statements will be sent out via email.

It was suggested that incoming freshmen get all the information and hardcopies of forms to be filled out in the mail, prior to registration nights.

Agenda items for September:

Reminder, that the Hill Country News subscription forms can be filled out and \$10 dollars can be donated back to the VRBB. There are hard copies in the band booster mail box to be handed out.

Suggestion was made to put a mentor program in place pairing up upperclassmen parents with incoming freshman parents. This would be something to fall under Public Relations.

Reserved Football Tickets are for sale. This comes with a reserved parking ticket. Reserved tickets come out to \$5.00 a piece. Tickets bought at the door are \$7.00. This is for home games only which we have five of. We are committed to do visitors side of concessions. Monies will not go to the individual student accounts.

It was mentioned to have a frequently asked questions posted on the booster website. This will be looked into.

Motion was made to adjourn and seconded at 7:42

Respectfully
Teresa Muller
