

**General Assembly  
VRBB  
November 14, 2006**

**Meeting called to order 7:00**

**Reading of Minutes:** Corrections were made and approved.

**Band Directors Report:** Thank you to anyone who has ever helped with anything this year. It was a long season and it could not have been done without the support of parents. Every other year we do tapings for TMEA. We will be working on this the upcoming months. The tapes get judged in July at the TMA Conference. The winner then gets to perform at the TMA Convention in front of all the band directors. BOA weekend is always this busy and the kids were great. The kids sent Mr. C a thank you card, each student wrote in one memory. The number one memory was about the BOA event. Mr. C also wanted to congratulate Tony Bokai and Ryan Cooper, for making All-Region Orchestra.

**Announcements:**

**Holiday Bazaar:** Sharon Powell, 120 booths are sold for the Holiday Bazaar. We are now full. People are still calling wanting to get a booth. Banner and fliers were a hit. Signs were also put though out the community. We are also in charge of set up and clean up. The kids know there is a big need for them to help. We are still short on tables for the event. If you have any please bring them. There is a need for 8-10 people to help vendors unload, take-down and clean up. We still are short on holiday tablecloths.

**Trailer:** Tom Pickard, the trailer has a few issues. We need to get thank you notes to private donors for tax write offs. Tom will give Teresa all the names to have this done. The cleaners that do our uniforms need a note, we currently get a \$4 discount on each uniform and we have uniforms cleaned 7 times a year. We also need to provide him with a donor card. Plans are finished for the shelving. David Brant will be working on electrical. Mr. C asked about purchasing a generator. Tom suggested he wait because he will be putting in low voltage for the trailer.
